## 2014 Howell Mountain Red Wine Blend

70% Cabernet Sauvignon : 15% Petite Syrah : 15% Zinfandel

With the inky dark color and the aromas of bold cherry, fruit cobbler and gram cracker, it will be hard not to think of grandma's house. This wine is an example of the rich and concentrated flavors that are well known for the Howell Mountain terroir. It's beautiful viscosity and fine mountain tannins give the wine the balance and structure that will take it well into 2025. The velvety finish shows a dark berry flavor with moderate spice components and toasty French Oak barrel attributes.
